

[from St Vincent Ferrer's letter to Benedict XIII concerning the end of the world]

... the time of Antichrist and the end of the world will take place in a short space of time... I prove it in many different ways.

First, from the revelations made to Saints Dominic and Francis, which I have spoken of previously... For Christ said to the Blessed Virgin: "Unless the world is corrected and converted by means of these Orders I will no longer spare it." Since, therefore, the conversion and correction of the world has not followed but rather the reverse, for greater crimes and wickedness abound, and, it must be regretfully admitted, these Religious Orders themselves, who have been given for the conversion and correction of the world, are in reality so moribund and relaxed that little religious observance is kept in them, the observant man must admit that this conclusion is amply proved.

(two other of his proofs)

This same conclusion is further borne out by many other revelations made to many devout and spiritual persons... *who* come to me, referring with certitude to the coming of Antichrist and the end of the world, which they have received in many and very diverse revelations, and in all of these there is the greatest concord.

Innumerable demons, forced to a confession of the truth have said the same thing...

From all that has been said above, I hold the opinion, which I think to be well founded, though not sufficiently proven for me to preach it, that nine years have already elapsed since the birth of Antichrist. But this I do preach with certitude and security, the Lord confirming my word by many signs, that in an exceedingly short time will come the reign of Antichrist and the end of the world.

Our Lord Jesus Christ, foreknowing that this doctrine will be unacceptable to carnal persons and the lovers of this world, said in the Gospel of Saint Luke (Ch. 17): "And it came to pass in the days of Noah, so shall it also be in the days of the Son of Man. They did eat and drink and they married wives and were given in marriage, until the day that Noah entered into the ark, and the flood came and destroyed them all." The same thing happened in the days of Lot; they ate and drank, they bought and sold, they planted and built. On the day that Lot left Sodom it rained fire and brimstone from heaven and all were destroyed. This will happen on the day when the Son of Man shall be revealed. On that day, whoever is on the roof and his vessels in the house must not come down to take them, and he who is in the field must not return to his house. Remember Lot's wife!

Again in the First Epistle to the Thessalonians (Ch. 5) we read: "And the times and moments, brethren, you need not that we should write to you; for you yourselves know perfectly that the day of the Lord will come as a thief in the night. For when they shall say peace and security; then shall destruction come upon them, as the pains of her who is with child. And they shall not flee."

This, most Holy Father, is what I am preaching concerning the time of Antichrist and the end of the world, subject to the correction and determination of Your Holiness, whom may the Most High preserve.

Concerning the annual Catholic Faith Appeal: Every year, each parish in the Diocese of Venice is allocated a certain amount to support the needs of the diocese. As the diocese itself has no means to generate funds, so it depends on its parishes to support its ministries. Last year, Christ the King was allocated \$80,000.00. As only \$28,000.00 was collected from our parishioners, so \$52,000.00 was taken from our general fund to satisfy the debt. This has been happening throughout the past five years as Fr Dupre did not want you to know this as it may disturb you. Recently, in speaking with the finance council, they agreed you all should know the truth. This year, Christ the King has been asked to pledge & pay \$73,000.00. To date, \$8,055.00 has been pledged and of this \$7,075.00 has been paid. Here, I wish to both notify you of this arrangement with the diocese and to thank you for your pledges and payments, albeit, some may not like it. Nevertheless, this is what it means to be parish in any diocese of this country. Recently, our bookkeeper, Gregory Balmes, asked me to let you know where we stand with our pledges and payments. Going forward, please do what you can to support the diocese; this will help CtK plan its yearly budget.
